Your Business Finance Suite

The Business Finance Suite is the most comprehensive funding solution in the world today. Through your finance suite there are three major benefits you will receive for your business.

- ✓ First we reveal the lending **secret formula** and help Ensure your business is setup credibly to radically increase your chances of approval
- ✓ Next we **pre-qualify you through our unique Financing Approval Engine** that cross-checks your information with underwriting guidelines for thousands of lenders which gives you the best chance of being approved for cash funding.
- ✓ Thirdly, we help you **build a business credit score and profile** for your business so you can be approved for even more credit in your business name which requires no personal credit check or guarantee

Check out some of the multitude of benefits your finance suite provides:

- ✓ Get approved for funding and **build your business credit**
- ✓ Access the **largest database of lending sources** available anywhere
- ✓ Access the **largest supply of vendor and revolving business credit sources**
- ✓ **Get approved** for cash funding **even if you have** a startup business or **challenged personal credit**
- ✓ **Work with your own certified business advisor** who will help you meet lending criteria before you even apply
- ✓ Get approved for **net 30 accounts quickly** to build your business credit
- ✓ **Secure cash funding quickly**, within 60 days or less
- ✓ Secure revolving business credit accounts with **no personal credit check or guarantee** through sources like Target, Wal-Mart, Best Buy, Apple, BP, Staples, Lowes, Home Depot, Dell, and many more
- ✓ Secure business credit cards with **no personal guarantee** through Visa, MasterCard, American Express, and Discover
- ✓ Receive **free access to your Experian Smart Business monitoring data** (value $600)
